## PREMIUM MYOMATRIX WHEY PROTEIN CONCENTRATE & ISOLATE BLEND

**WHY:** USN's 100% Whey Protein provides the purest form of this single protein substrate. It contains proteins such as lactalbumin and immunoglobulins which are known to be vital for proper immune system function, muscle development and recovery. Now with revolutionary MyoMatrix™ whey protein isolate and concentrate blend and ZymaTech™ digestive enzyme technology, the proper uptake of the whey protein and its conversion into amino acids by your body is greatly improved.

**WHEN:** Before and after training.  
**FLAVOUR:** Chocolate, Vanilla.
